2025 CAPSU EyLITE CHALLENGE

PITCHING COMPETITION

Robinson's Place, Roxas City, Capiz - January 23, 2026

The **EyLITE Final Pitching Competition** marks the culmination of months of innovation, learning, and mentorship, where EyLITE incubatees showcase their technology solutions, demonstrate the feasibility of their ideas, and compete for recognition and support to bring their solutions closer to real-world implementation.

GUIDELINES

These guidelines aim to help participants deliver a clear and impactful pitch aligned with the judging criteria of the 2025 CAPSU EyLITE Challenge:

- i. Each team will be given a maximum of five (5) minutes to deliver their pitch presentation. A bell will be rung to indicate that the allotted time has ended.
- ii. A five (5) – minute Q&A session will follow immediately after the pitch.
- iv. Teams may present in English or Filipino.
- v. Prototypes or demonstration models are allowed and encouraged during the presentation.
- vi. Participants are expected to wear business casual attire to reflect professionalism.
- vii. Each team may either designate a representative to deliver the presentation or present collectively as a team.
- viii. Participants who fail to present their project during the Final Pitching Competition shall forfeit their eligibility for any consolation prizes.

1. PITCH DECK

Presenters are encouraged to include the following elements in their presentation deck:

- i. Value Proposition and Logo:
 - How do you create value?
 - How will you deliver value?
 - How will you capture value?
- ii. The Problem:
 - What specific problem are you trying to solve with your technology?
 - Who experiences this problem and why is it important?

- iii. The Solution
 - Unique features or advantages
 - Present visuals or a demonstration of your prototype, sample product, or working model
- iv. Business Model
 - Describe how your innovation creates, delivers, and captures value.
- v. Marketing and sales
 - Present your strategy for reaching your target market, including your marketing channels, pricing approach, sales methods, and projected sales performance.
 - Show the demand for your technology (TAM, SAM, SOM)
- vi. Financials
 - Present your projected financial statements, including expected revenues, costs, cash flow, and overall financial viability of the innovation.
- vii. Competitors
 - Who are your identified competitors, and how do you differentiate?
- viii. Sustainability and Scalability
 - How will the idea grow or expand in the future?
 - Financial outlook: Projected use or utilization of funds.
 - Roadmap and traction: Key milestones and progress presented in a clear timeline format
- ix. The team
 - Name of Presenters and brief profile.

2. PRIZES

This is a Technology Pitching Competition. Winners will receive a cash prize amounting to the following:

- 1st Place – 65,000.00
- 2nd Place – 50,000.00
- 3rd Place – 35,000.00
- Consolation Prize – 10,000.00

3. Kindly upload your presentation on or before December 31, 2025, in the Google Drive link provided:
