

I. Project Title:

Empowering ALODA through Handicraft Making

II. Proponents:

Yhanie A. Lantoria

Kirsty G. Tanque

Joy N. Alejaga

III. Campus

Sigma Satellite College

IV. Rationale

Women's empowerment can be defined as promoting women's sense of self-worth, their ability to determine their own choices, and their right to influence social change for themselves and others.

ALODA is an organization that is composed of group of women in Brgy. Intungcan, Pontevedra Capiz. This organization is headed by Cresilda Molina as their leader or president. These group of women wanted to acquire necessary skills needed to become small entity entrepreneurship. In this way, they can augment to the financial needs of their family.

One component of the TATAP program of Tourism Management Department is the skills training in macrame bags, slippers and plant hanger. This training was shared to ALODA group last September 5-7, 2022 in partnership with the Department of Trade and Industry Pontevedra.

Empowering ALODA through handicraft training is one of the projects that helped many unemployed women who are member of ALODA to acquire livelihood opportunities. Through this project, they will not just earn income but they can also acquire skills in handicraft making.

V. Objectives

Empowering ALODA through Handicraft Training aimed to;

- train and develop beneficiaries capability in the field of handicraft making specifically in macrame bag, slippers and plant hanger.
- empower every member of the organization by providing them opportunities to acquire skills in handicraft making.
- build good and strong relationship with partner agencies.

VI. Project Description

ALODA group requested a training on macrame bag, slipper and plant hanger through the office of the DTI Pontevedra, and then tapped CAPSU Sigma to provide the said trainings.

The Handicraft training they requested is under the TATAP program of Tourism Management Department. This is also under the management of CAPSU Sigma Extension Office. Faculty who conducted these handicraft training are well trained and are more knowledgeable in making this handicraft. The training was conducted last September 5-7, 2022 at Pontevedra, Capiz. All materials needed were provided by the partner agency.

This project was made possible because of the support and active participation of the partner agency and the beneficiaries. During the conduct of the training, proper observance of minimum health protocol was being observed. Demonstration and lecture were utilized in the conduct of the said training. After the conduct of the training, every beneficiary presented his/her output, all of them were awarded a certificate of completion. Monitoring is done for the sustainability of the project.

VII. Results of Interventions

1. Beneficiaries said they did not only acquire skills but also earn income out of the handicraft outputs they made.
2. Women already contributed income to their family by providing their daily needs.
3. CAPSU Sigma had already earned linkage with the Department of Trade and Industry Pontevedra through this project.

VIII. Lessons Learned

1. Beneficiaries were very cooperative and their willingness to learn was very evident. One hundred percent of the trainees attended the 3-day activity.
2. The partner agency was very supportive to the project being implemented, they were the one who provided the meals and the materials during the conduct of the activity including the transportation.

IX. Recommendations

1. Another advance trainings to be implemented to the group for the betterment of the output may be considered.
2. Starter kit may also be provided by the partner agency in order to motivate the trainees to engage in small business.
3. Constant monitoring and mentoring to the beneficiaries by the project leader and trainer may be conducted.

4. CAPSU and DTI-Pontevedra may help in marketing the outputs of the women organization for the sustainability of the project.

Letter Request from DTI

Ref. No. 2022- 407

26 August 2022

Dr. Annalie G. Campos
Satellite College Director
Capiz State University
Sigma Satellite College

Thru: **Dr. Ginalyn J. Obien**
Extension Chairperson

Dear Dr. Campos:

The Department of Trade and Industry - Capiz Provincial Office, through the Negosyo Center Pontevedra, will conduct Skills Training on Yarn Bag Making on 6-8 September 2022 at Brgy. Hall, Brgy. Intungcan, Pontevedra, Capiz. This activity aims to equip the participants with skills and knowledge on yarn bag and macrame making including costing and pricing.

Cat In relation to this, we would like to request a resource person from your good office to conduct the said training. We will hire his/her service for an honorarium of Six Thousand Pesos (Php 6, 000.00) less 6% withholding tax for the three-day training. We will also provide for his/her food and transportation to and from the training site.

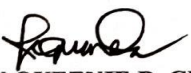

As resource person we expect her to do the following:

1. Conduct lecturette and hands-on demonstration on the basics of the specified activity.
2. Conduct costing and pricing to guide participants on how to effectively price their products.

Our NC-Pontevedra Business Counselor, Ms. Juliene Berdugo, will coordinate with your office regarding this matter. Should there be queries/clarifications on this matter. Please feel free to coordinate with her through this number 09615569582 or at Pontevedra Municipal Treasurer's Office (621-9780).

We look forward to your support and cooperation as one of our partners in promoting entrepreneurship in the province of Capiz.

Sincerely,

KEN QUEENIE R. CUÑADA
Provincial Director
