DR. CLEMENT C. CAMPOSANO

Chancellor

University of the Philippines - Visayas

Dear **Dr. Camposano**:

Greetings of love and passion for government service!

Capiz State University being one of the Higher Education Institutions in the Province of Capiz aims to develop the potential of its faculty researchers to undertake quality research directed at promoting economic development while preserving ecological integrity.

With this, the University Research, Development and Extension Office will be conducting a **“Workshop in Writing Research Proposals for NICER Program”** on June 20-22, 2022. This activity aims to craft research proposals anchored on integrated agri-fishery food production systems to support a tourism-led local area development for the Province of Capiz.

In line with this, we would like to invite the following faculty researchers from your respected university: **Dr. Sanny David Lumayno, Dr. Jihan Alumbro, Dr. Johannes Magpusao, Dr. Concepcion Ponce, Prof. Christian Morales, Ms. Gency Guirhem, Mr. Emman Delloro Jr, and Dr. Ricardo P. Babaran.** They will be our technical consultants for the said workshop. We know that with their expertise and experiences in the research field, they would be of great help as we aim to craft research proposals which will be submitted for possible external funding.

We would be grateful for your approval and confirmation by contacting Dr. Leo Andrew B. Bicular at labbicular@capsu.edu.ph or Dr. Stephanie S. Pimentel at sspimentel@capsu.edu.ph or at 0917-726-2118.

Thank you very much for forward for your favorable action on this request.

Very

EDITHA C. ALFON, PhD.
SUC President III
