Social Science and Industrial Technology Research and Development Center

February 23, 2024

Dr. Leo Andrew B. Biclar
Research Director
This University

Sir:

Warm greetings!

The undersigned is respectfully endorsing to your good office as additional entry of the center for the 36th CAPSU RDE In-House Review to be held on March 1, 2024:

1. Predictors of University Students' Information-Seeking Behavior in a Post-Pandemic Environment by Dr. Louis Placido F. Lachica

This proposal was presented during the CAPSU Pontevedra In-House Review last February 2, 2024.

Thank you very much and may this recommendation merits your favorable action.

Very truly yours,

LOUIS PLACIDO F. LACHICA, PhD
Director, SSIT RDC
