III. Campus: Capiz State University-Sigma Satellite College Extension Office

IV. Summary:

One of the core functions of Capiz State University is to provide extension services to the community by providing skills training, seminars and other services. It aims to develop program that could establish strong linkage with partner agencies to assist the community in different training opportunities.

CAPSU TURISMO (Tukibon kag Ulikdon ang Reyalidad ag Ihibalo it Sigmahanon para sa Mainuswagon nga Oportunidad) Program is an extension program of CAPSU-Sigma Satellite College through the Tourism Management Department that is designed to help Sigmahanon community to develop their skills and train them in different project component provided in this program. This will also help improve the Tourism Industry of the Municipality of Sigma. The target beneficiaries of this program are those in the tourism value chain specifically the housewives, kakanin vendor, out of school youth, OFC (Overseas Filipino Community), pedicab/tricycle drivers, micro small and medium enterprises (MSME's) and tourism entrepreneurs. The venue of the training program will be in the Municipality of Sigma, Capiz.

The main purpose of the program is to cater the needs of the community in terms of tourism improvement. Tourism is an economic driver as it helps boost the economy and alleviate the lives of the community. In order for us to realize this goal providing assistance and capability training opportunities is a must. In this program the different trainings provided are; tourism awareness and values formation, front office and customer relations, food and beverage services training, cookery, health and wellness training, handicrafts, gender sensitivity, and mental health awareness.

Accredited: *Accrediting Agency of Chartered Colleges and Universities of the Philippines (AACCUP)*
Member: *Philippine Association of State Universities and Colleges (PASUC)*
Agricultural Colleges Association of the Philippines (ACAP)

V. Rationale/Background:

Tourism Management Department aims to provide different skills training opportunity to its clientele that can help them improve their lives. This is also the way of the Tourism Management Department to extend and expand their expertise to the community of Sigma.

Sigma is where the junction linking the Provinces of Aklan, Iloilo and Capiz meets. With proper perspective, programs and facilities in place, Sigma could become a convenient stop over for both local and foreign tourists bound for Boracay and in the Province of Iloilo and the capital city of Capiz –Roxas City. So far, this is the strongest asset recognize by the various sectors as far as the development of Sigma is concerned. CAPSU TURISMO Program is a program conceptualized for the said municipality and it is composed of different trainings and seminars such as; tourism awareness and values formation, front office and customer relations, food and beverage services training, cookery, health and wellness training, handicrafts, gender sensitivity, and mental health awareness.

This program is an answer to a call of employment and livelihood crisis in the community of Sigma brought by pandemic which could help them to earn income and improve the quality of life of the Sigmahanons.

VI. Objectives:

The CAPSU TURISMO Program aimed:

1. To provide extension skills training and seminars to the community specifically to housewives, *kakanin* vendor, out of school youth, OFC, pedicab/trycicle drivers, MSME's, and tourism entrepreneurs.
2. To build strong linkages and partnership to the community and partner agencies for a sustainable extension services.
3. To improve the quality of life of the clientele, as well as the quality of services provided by the tourism and hospitality establishments in the Municipality of Sigma.

Accredited: *Accrediting Agency of Chartered Colleges and Universities of the Philippines (AACCUP)*
Member: *Philippine Association of State Universities and Colleges (PASUC)*
Agricultural Colleges Association of the Philippines (ACAP)

VII. Activities:

1. Conduct of training needs assessment.
2. Information dissemination
3. Launching and signing of MOA between CAPSU and partner agencies/barangay beneficiaries
4. Preparation of the training designs and proposed budget.
5. Procurement of materials and equipment
6. Establishment of Research and Extension Hub
7. Conduct of trainings to the target beneficiaries
8. Monitoring and Evaluation

VIII. Work Plan:

	Year 1				Year 2				Year 3			
Activities	Q1	Q2	Q3	Q4	Q1	Q2	Q3	Q4	Q1	Q2	Q3	Q4
Training needs assessment												
Launching and Signing of MOA												
Preparation of training designs and proposed budget												
Procurement of materials and equipment												
Establishment of Research and Extension Hub												
Conduct of Trainings												
Monitoring and Evaluation												

IX. Outputs and Impacts:

CapSU TURISMO Program has different trainings that will be provided to the clientele, through this program their skills and knowledge will be enhanced. It will also help the client to acquire job and livelihood opportunities in the future. They can earn an extra income to sustain their family needs and uplift their way of living. For the tourism and hospitality workers, they can acquire trainings that will develop and upgrade their services provided to their guests that eventually would strengthen the tourism and hospitality industry in the Municipality of Sigma.

X. Monitoring and Evaluation:

Accredited: *Accrediting Agency of Chartered Colleges and Universities of the Philippines (AACCUP)*
Member: *Philippine Association of State Universities and Colleges (PASUC)*
Agricultural Colleges Association of the Philippines (ACAP)

The program will be quarterly monitored to ensure that all trainings conducted are being implemented. An impact assessment will also be conducted after the termination of the program to make sure that the clientele have practiced/applied what they have learned from the different trainings that were conducted and most importantly for the sustainability of the program.

NC II assessment will also be facilitated by the department applicable to the trainings they have attended and participated.
